## **\$3.66 MILLION AWARDED TO THE CITY OF DES MOINES FOR 24<sup>TH</sup> AVENUE SOUTH PROJECT**

The City of Des Moines has been awarded \$3.66 million from the Transportation Improvement Board (TIB) for the 24<sup>th</sup> Avenue South Roadway Improvement Project between South 223<sup>rd</sup> Street and Kent Des Moines Road.

This project was planned for in the City's 6 year Capital Improvements Plan (CIP) and would start design next year, Right-of-Way in 2021 and construction in 2022.

TIB has continued to be a fantastic partner in supporting the City's improvement projects. As the City nears the finish line on the current 216<sup>th</sup> Segment 3 project, which was also funded in large part by TIB, we are excited to begin working on the next corridor project.

A big thank you to staff for their work on the successful grant application!
